

Revitalization 2029 Campaign

Significant Tax Advantages Available

As a registered 501(c)(3) non-profit organization, donations made to Main Street Presbyterian Church for its Revitalization 2029 campaign have significant tax advantages for the **2026, 2027, and 2028 tax years**, particularly for individuals and entities residing in or operating within Mississippi and Alabama.

This presents a unique financial opportunity to support a vital, historic cause while realizing considerable tax benefits for a fundraising campaign that is critical to the continued growth and service of our congregation, and your participation will directly impact our mission in the community.

Understanding the Tax Landscape for Contributors

- **For Individual Donors** | Your contributions to Main Street Presbyterian Church are recognized as charitable deductions on your federal income tax return. For residents of Mississippi and Alabama, these deductions can further reduce your state income tax liability, effectively lowering your overall tax burden. The deductibility applies to the full extent allowed by law, rewarding your generous support.
- **For Business Owners** | Businesses operating in Mississippi and Alabama can utilize donations to Revitalization 2029 to reduce taxable income. This provides a dual benefit: supporting a worthy, community-anchored initiative while decreasing your business's tax obligations. The campaign's deep alignment with community development makes it an attractive investment for socially responsible businesses.
- **For Retirees** | Retirees can benefit strategically by donating appreciated assets, such as stocks or bonds. By donating these assets directly to Main Street Presbyterian Church, you can avoid capital gains taxes while receiving a deduction for the fair market value of the asset at the time of donation. This strategy is particularly advantageous for managing retirement income and tax liabilities.

PRESBYTERIAN CHURCH

- **For Public and Private Institutions** | Foundations, endowments, and other institutional bodies are encouraged to consider Revitalization 2029 as a strategic philanthropic investment. Donations from these entities foster positive community impact and are generally tax-deductible according to applicable regulations, expanding your capacity to support vital local initiatives.
- **For Active and Retired Military Service Personnel** | Recognizing the profound contributions of our military community, we want to highlight that donations from active and retired service members are fully tax-deductible under the same federal and state provisions. We deeply appreciate your service and encourage you to consider supporting our campaign as a meaningful avenue for continued community investment.

Why Participate in Revitalization 2029?

The Revitalization 2029 campaign has been meticulously planned to address critical facility and ministry needs within our community. By contributing, you are not merely donating; you are investing in the sustainable future, historic preservation, and enhanced well-being of the areas served by Main Street Presbyterian Church.

The strategic tax advantages offered present an opportune moment to maximize the impact of your generosity. We strongly urge you to consult with your financial or tax advisor to fully understand how these benefits apply to your specific financial situation.

Your support is invaluable to the success of Revitalization 2029 and the next century of our ministry.

Sincerely,

The Revitalization 2029 Committee
